Thanks Stan

I forwarded a draft agenda to Jim on Friday. We'll make sure we have these things covered.

Hope to get the draft agenda around to folks Weds or Thursday

Subject: Agenda Items

Doug, Below are some agenda items the water districts would like to see included:

EPA to summarize action items from the last meeting and status
Navy presentation on western OU-2 hot spot treatment – work completed, next steps, schedule breakdown
NGC presentation on eastern OU-3 hot spot treatment - work completed, next steps, schedule breakdown
Status of Bethpage Water District phase out of Plants 4, 5 and 6
Next steps by DEC in hydraulic containment and plume remediation

Thank you,

Stan Carey, Superintendent
Massapequa Water District
